

Some Noteworthy Projects

Kinetics Noise Control continues to be a leader in developing tools to aid contractors and designers in designing and specifying appropriate acoustic treatment, vibration mitigation, and seismic restraint devices. Employees of Kinetics have authored dozens of papers on the above subjects and have developed an extensive range of free application related software. This software can be accessed through www.kineticsnoise.com. Noteworthy projects that have involved Kinetics products and designs include:

Albany School #20, (Albany, NY), duct silencers

Arsenal Center for the Performing Arts, (Watertown, MA), duct silencers

Art Gallery of Ontario, (Toronto, ONT), duct silencers.

Baylor Medical Center, (Dallas, TX), duct silencers

Bell Canada, (Toronto, ONT), duct silencers.

Bethlehem High School, (Bethlehem, PA), duct silencers

Boston Children's Museum, (Boston, MA), duct silencers.

Brampton Performing Arts Center, (Brampton, ONT), pressurized plenums and duct silencers.

Byron Center Middle School, (Byron Center, MI), duct silencers

Cathedral High School, (Holbrook, MA), duct silencers

Chautauqua Institute School of Music, (Chautauqua, NY), duct silencers.

Cobb Energy Center for Performing Arts, (Atlanta, GA), pressurized plenums.

Constitution Square, (Ottawa, ONT), duct silencers.

Danvers Middle School (Danvers, MA), duct silencers

East Kentwood High School, (Kentwood, MI), duct silencers

Fountain Square Parking Garage, (Cincinnati, OH), duct silencers.

Ft. Campbell Kentucky, Command and Control Center, (Ft. Campbell, KY), duct silencers

General Electric, CEB Expansion (Niskayuna, NY), Affiliated Engineers, Inc. duct silencers and pressurized plenums

Grand Rapid Art Museum, (Grand Rapids, MI), Design Plus, Inc., duct silencers

Grand Valley State University Academic Center, (Allendale, MI), duct silencers

Hinkley High School, (Aurora, CO), acoustical louvers

Horizon Health Systems, (Lewisville, TX), duct silencers

Ivy Tech State College, (Evansville, IN), duct silencers

Lakeview High School, (Battle Creek, MI), duct silencers

Louisiana Downs, (Shreveport, LA), duct silencers.

Mary Immaculate Church, (Irving, TX), duct silencers

Mathew Gilbert Middle School, (Jacksonville, FL), acoustical louvers

Middletown Regional Hospital, (Middletown, OH), duct silencers.

Muskogee Regional Medical Center, (Muskogee, OK), pressurized plenums

Needham High School, (Needham, MA), duct silencers

North American Center, (Toronto, ONT), duct silencers.

Northern Kentucky University, (Highland Hts., KY), duct silencers.

Ottawa Fertility Center, (Ottawa, ONT), duct silencers.

Peterborough General Hospital, (Peterborough, ONT), pressurized plenums and duct silencers.

Presbyterian Hospital, (Albuquerque, NM), duct silencers and pressurized plenums

Raynham Regional High School, (Bridgewater, MA), duct silencers

Rogers Care Call Center, (Toronto, ONT), duct silencers.

Royal Conservatory of Music, (Toronto, ONT), duct silencers.

Saint Jude's Hospital, (Memphis, TN), duct silencers.

Shenendehowa High School, (Clifton Park, NY), duct silencers

St. Ann's Hospital New Maternity Wing, (Westerville, OH), duct silencers.

St. Joseph's Church, (Waihapu, HI), duct silencers.

Texas Heart Hospital, (Plano, TX), duct silencers.

Texas Tech Research Facility, (El Paso, TX), duct silencers.

Toronto Police 43 Division, (Toronto, ONT), duct silencers.

Toronto Zoo, (Toronto, ONT), duct silencers.

Trinity United Methodist, (LA), duct silencers.

University of Kentucky, Nutter Field House (Lexington, KY), duct silencers and pressurized plenums

University of Louisville, Belknap Research Building, (Louisville, KY), duct silencers, stack silencers and pressurized plenums

University of Miami, (Miami, FL), duct silencers.

University of New Mexico – Children's Hospital, (Albuquerque, NM), duct silencers

University of Southern Indiana, David L. Rice Library (Evansville, IN), duct silencers

University of Toronto Building 155, (Toronto, ONT), pressurized plenums and duct silencers

University of Toronto Pharmacy Building, (Toronto, ONT), pressurized plenums and duct silencers.

Westin-Boston Convention Hotel, (Boston, MA), duct silencers
