1. **Panel**

   Factory installed (impaling Z-clip part # 1103601)

   Adhesive applied before inserting into panel

   If clip comes loose during shipping, apply construction adhesive and reinsert base clip

2. **Wall mounted Z-clip part # 1104006**

   Locate Z clips or optional Z bar on wall and secure as required for wall substrate

   Slide panel down onto clips until firmly seated

3. **Panels over 5' high or wide require (6) Z clips. Smaller panels require (4) Z clips.**

   Press panels onto the impaling Z-clip and push downward until (firmly) seated
