NATHAN REDMAN PROMOTED TO SENIOR VICE PRESIDENT OF SALES

Dublin, OH, October 27th, 2020- Kinetics Noise Control Inc. (Kinetics) is pleased to announce the promotion of Nathan Redman to Senior Vice President of Sales. In his new role, Nathan will be responsible for leading global sales efforts for Kinetics.

Redman has held various sales and marketing positions throughout the 19 years he has been with Kinetics Noise Control. His most recent role was Vice President of Sales for the HVAC, International, Industrial, Commercial and Environmental markets. “We are pleased to offer this sales leadership role to Nathan” said Joe Lupone, CEO of Catalyst Acoustics. “He has contributed greatly to the channel development and overall sales growth of Kinetics in his close to 20 years with the company. We are confident he will lead the sales team on a continued growth path for years to come”.

About Kinetics Noise Control

Established in 1958 as industrial consultants focused on controlling sound and vibration, Kinetics now produces the industry’s largest selection of products and solutions that control airborne noise, isolate structure-borne vibration, enhance room acoustics, create quiet spaces, and restrain non-structural building systems.

About Catalyst Acoustics Group

Catalyst Acoustics Group is the parent company of an elite group of acoustic, seismic, vibration and noise control companies that together, offer the broadest portfolio of noise control solutions in the market today. The independent brands, channels to market, products and services offered by each business remain unique, while leveraging the scale, deep functional expertise, broad channel reach and significant financial resources.
